Dear Lyle:

I wanted to express my personal thanks for the support we received from the Middlesex County Pork Producers and their generous donation of \$4000 worth of pork tenderloin. I can't tell you how timely the donation has been. Fresh/frozen meat is one of those items that we seem to never have enough of especially at this time when so many families are turning to the food bank for help

The challenge before the Food Bank never seems to let up and yet neither does the generosity of the London and Middlesex County community. 2009 has been the busiest year we've ever had. Though we have to feed over 3300 families each month, along with supplying 25 other agencies with food supplies, the public have contributed in such a way as to make each year greater than the last.

Thank you for the great example you showed to so many others. We wish you a prosperous and meaningful summer and we appreciate you making ours just that much better.

Respectfully,

A handwritten signature in black ink, appearing to read "Jane Roy".
