

Farm Products Marketing Commission

Whereas: Ontario Pork is required by the tribunal to clarify it's position about marketing

And whereas: directors of Ontario Pork have indicated that they would support the original decision of the Farm Products Marketing Commission

And whereas: Grey/Bruce Pork Producers feel that this oversteps the mandate given at the June 11, 2008 special meeting of the councilors

Therefore be it resolved: That Ontario Pork directors support and put forward the strategic direction plan supported by the councilor body.

Respectfully submitted,
Robert Reid
President
Grey/Bruce Pork Producers Association
