Weaned pigs are fed daily to meet their nutritional needs. [Question 48]	<input type="radio"/>	<input type="radio"/>	Grow-finish pigs are fed daily to meet their nutritional needs. [Question 58]	<input type="radio"/>	<input type="radio"/>
			Feeders and waterers are checked daily to ensure that they are clean, functioning properly and at the appropriate height. [Question 60]	<input type="radio"/>	<input type="radio"/>

Declaration By Producer (ACA™)

I have reviewed the Animal Care Assessment (ACA™) program requirements listed above and confirm that all requirements applicable to my production facilities have been met. I agree to maintain these standards on an on-going basis and to complete a full-validation at the next CQA® full-validation for my production facilities.

I agree to cooperate in any internal audit activities for which my production unit has been selected.

I understand and acknowledge that I may use the following trade-mark ACA™ only to indicate that I have been registered as a producer who follows the Good Production Practices and the standards of the Canadian Pork Council's Animal Care Assessment Program. I agree that any such use of the ACA™ trade-mark will be in accordance with the guidelines set out in the program documentation and only on printed materials provided to me or authorized by (Provincial Delivery Agency) or the Canadian Pork Council.

I acknowledge and agree if I fail to maintain the Good Production Practices and the standards of the Canadian Pork Council's Animal Care Assessment Program or improperly use the ACA™ trade-mark, my participation in the Canadian Pork Council's Animal Care Assessment Program, including my ability to use the ACA™ trade-mark, may be terminated.
