4. Select 'Create an order'.

5. Your account information (billing and shipping address) will autofill. Please make any necessary changes and select 'Save'.

The screenshot shows the 'Create an order' form. At the top, it says 'Create an order' and 'Pricing Details'. A legend indicates that red dots indicate sections that must be completed. The form contains the following fields:

Account Number	CPC1234567	Date	2020-08-13
----------------	------------	------	------------

**Billing address**

- Name: Ontario Pork
- Address: 655 Southgate Dr
- Postal Code: N1G5G6

At the bottom right, there are 'Save' and 'Cancel' buttons. A red box highlights the 'Save' button.

6. Select the tag shape you would like to order. All tag shapes are approved by the CFIA.
  - a. **Large Rectangular/Trapezoidal tags** are recommended when tagging pigs over 50 lbs. Shape selection comes down to preference.
  - b. **Small tags** are recommended when tagging pigs under 50 lbs.

7. Select the tag type you would like to order.
  - a. **Non-electronic** tags have a visual number on the tag. This number is used for traceability purposes.
  - b. **Electronic: FDX-RFID/ HDX-RFID** tags are compatible with electronic sow feeders. These tags also have a visual number and can be used for traceability. Please note: PigTrace does not sell electronic tags in the small size.

8. Select the identification type you would like to order:
  - a. **Individual ID** tags are automatically assigned a 15-digit traceability number unique to each animal e.g. 124 000 499 999 999
  - b. **Herd Mark** tags are 5-digit, premises specific identifiers (assigned by Ontario Pork) e.g. 12345

9. Select the colour you would prefer.

10. Select the quantity you would like to order. Tags are sold in multiples of 25.

11. Select 'Save' once you are happy with your order.
