From securing fresh and healthy food sources, to driving change through policy research and innovative programming, Feed Ontario unites food banks, industry partners, and local communities in our work to end hunger and poverty.

Join us as we Feed Ontario and help build a healthier province. Every \$1 you donate provides 3 meals to an Ontarian in need.

Through the generous support of pork industry partners, Feed Ontario raises funds in support of the program to provide fresh, healthy pork. These funds are then matched by Ontario Pork through a \$0.01/hog levy in the pork industry.

Feed Ontario works with industry partners to produce and distribute pork to food banks all across Ontario. Since its inception in 2013, the Ontario Pork Program has provided over 1.1 million servings of pork to Ontarians in need!
