

# PigSAFE | PigCARE

## MANDATORY PROGRAMS ELEMENTS

### Section 1: check the farm characteristics that apply to your site.

#### TYPE OF PIGS ON-FARM

- Breeding stock
- Suckling pigs (farrowing room)
- Nursery pigs
- Grow/Finish pigs

Do any of your pigs have access to the outdoors?	<input type="checkbox"/> YES <input type="checkbox"/> NO
<i>Access to the outdoors includes, but is not limited to, pigs raised on pasture, in pens that allow access to earthen ground/soil, in structures that do not have full solid walls to prevent contact with wildlife, and facilities that are not fully enclosed (i.e. they do not have complete floor-to-ceiling walls and/or a roof).</i>	
Are any cats housed in the same building(s) as pigs?	<input type="checkbox"/> YES <input type="checkbox"/> NO
Are any other species housed in the same building(s) as pigs?	<input type="checkbox"/> YES <input type="checkbox"/> NO

#### OTHER CERTIFICATIONS / FARM CHARACTERISTICS

- 10.1 Canadian Ractopamine-Free Pork Certification Program
- 10.2 Outdoor access certification
- 10.3 Multiple-species certification
- 10.4 Group sow housing certification

#### CHECK ALL THAT APPLY TO THE SITE

- On-Farm Feed Mill
- Receiving pigs from another source (not a closed herd)
- Feed medications used
- Water medications used
- Injectable medications used
- Other medication used (i.e. topical, oral)
- Needles used on-site
- Recycled food products and/or distiller's grain

### Section 2: Mandatory Elements

This section summarizes all the mandatory elements of the PigSAFE | PigCARE Programs. This checklist facilitate the preparation of a program validation.

Prior to your first validation make sure to prepare the following Records and Standard Operating Procedures (SOPs). For additional details see the corresponding section for each required element.

#### MANDATORY RECORDS

 = if applicable, according to PigSAFE|PigCARE Producer Manual

Record Names		Section	Checklist
R-1	Verification Record	4.2; 4.4; 4.5; 5.3; 5.4	<input type="checkbox"/>
R-2	Incident Report (if applicable)	4.2; 4.4; 4.5; 5.3; 5.4	
R-A R-A1	Personnel and Responsibilities List or Personnel Tasks and Training List	1.1	<input type="checkbox"/>
R-B	Training Record	1.1	<input type="checkbox"/>
R-C	Code of Conduct	1.1	<input type="checkbox"/>
R-G	Swine Movement Document	3.1	<input type="checkbox"/>

 = if applicable, according to PigSAFE|PigCARE Producer Manual

Record Names		Section	Checklist
R-M	Mortality Record	6.3	<input type="checkbox"/>
R-N	Animal-Based Measures Record (if applicable)	7.3	
R-P	Medication and Vaccine Usage Plan	5.1	<input type="checkbox"/>
R-R	Rations Used On-Farm Record	3.2	<input type="checkbox"/>
R-S	Feed Sequencing, Mixing and Distribution Record	4.4	<input type="checkbox"/>
R-T	Treatment Record	5.1	<input type="checkbox"/>
R-W	Letter of Guarantee – Recycled Food Products/Distillers’ Grains	3.3	<input type="checkbox"/>
R-X	Calibration Record (if applicable)	4.4	<input type="checkbox"/>
R-Y	Letter of Guarantee – Licensed Veterinarian	5.1	
R-Z	Space Allowance Record (nursery and grow/finish barns only)	7.3	<input type="checkbox"/>

#### MANDATORY STANDARD OPERATING PROCEDURES (SOPs)

SOP Numbers and Names		Checklist
2.2.1	Sanitation SOP and/or	<input type="checkbox"/>
2.2.2	Alternative Cleaning SOP	
4.2	Medicated Water	<input type="checkbox"/>
4.4	Feed Sequencing, Mixing and Distribution	<input type="checkbox"/>
4.5	Feed Distribution	<input type="checkbox"/>
5.2	Needles and Injections	<input type="checkbox"/>
5.3	Risk Management of Broken Needles	<input type="checkbox"/>
5.4	Medication Withdrawal	<input type="checkbox"/>
6.1.1	Pest Management – With an Exterminator or	<input type="checkbox"/>
6.1.2	Pest Management – In-House	

 = if applicable, according to PigSAFE|PigCARE Producer Manual

SOP Numbers and Names		Checklist
7.6	Care of Sick and Injured Pigs	<input type="checkbox"/>
7.7.1	Farrowing Room	<input type="checkbox"/>
7.7.2	Newly Weaned Pigs	<input type="checkbox"/>
7.8	Elective Husbandry Procedures	
7.10	Euthanasia	<input type="checkbox"/>
7.11	Emergency Procedure	<input type="checkbox"/>
9.2	Humane Transportation	<input type="checkbox"/>
10.2	Parasite Management	<input type="checkbox"/>
10.3	Multiple Species Manure Management	<input type="checkbox"/>

#### OTHER DOCUMENTS THAT MUST BE VERIFIED DURING THE VALIDATION

 = if applicable, according to PigSAFE|PigCARE Producer Manual

Other Documents, if applicable	Section	Checklist
Prescription(s) (if medications are used on-farm)	3.2; 4.2; 4.4; 4.5; 5.1; 5.4; 10.2	
Feed Delivery Slips (if purchasing feed/mixes)	3.2	
Written Assurance for Wood Shavings (if wood shavings are used on-farm)	3.4	
Water Test Result (only for sites that are not supplied by municipal water)	4.1	
Sow Cards	5.1	
Cats Vaccine Certificate for rabies and invoice or certificate to confirm they are neutered or spayed	10.3	<input type="checkbox"/>
Last year's PigSAFE PigCARE validation report		

**Section 3: Canadian Ractopamine-Free Pork Certification**

The following records must be kept on-site:		Checklist
i.	Annex 1 – Clean-up procedures (if ractopamine kept/used on-site in last 12 months)	<input checked="" type="checkbox"/>
ii.	Annex 2 – Agreement between the slaughter establishment and the site	<input type="checkbox"/>
iii.	Annex 3 – Letters of guarantee from all commercial feed facilities (if purchasing feed/mixes)	<input checked="" type="checkbox"/>
iv.	Annex 4 – Swine Movement Document for all incoming pigs	<input type="checkbox"/>
v.	Annex 4 – Swine Movement Document (shipping manifest) for outgoing pigs	<input type="checkbox"/>
vi.	Annex 5 – On-Site Enrollment Assessment for PID Sites and On-Farm Feed Mills	<input type="checkbox"/>
vii.	Annex 5.1 – Annual Assessment Checklist for PID Sites and On-Farm Feed Mills	<input type="checkbox"/>
viii.	Ractopamine-free statement on all Feed Delivery Slips (if purchasing feed/mixes)	<input checked="" type="checkbox"/>
